

ADRA Annual Appeal

2 October 2021

ADRA currently supports 34 projects here in New Zealand. We fund our churches to run programs that serve a need in their local community. Through serving local needs, together we're better able to connect with our communities and be a shining light of what God's love looks like.

This month, your generous support of ADRA will ensure we can continue to help families right here in New Zealand and around the world.

ADRA Annual Appeal

9 October 2021

We are all called to let our light shine for the glory of God. ADRA shines light by helping people who are most in need. We serve people regardless of their gender, religion, or background. We know that through serving where it's needed most, we glorify God.

Next week, ADRA is collecting a special offering, this offering will ensure that as a church body, we can continue to help those most in need.

ADRA Annual Appeal

16 October 2021

This Sabbath, ADRA is collecting a special offering that supports the life-changing work we do. Together, we shine Christ's light into the world through actions; providing clean water, helping families rebuild after disaster, caring for mothers and children here in New Zealand.

Today, we ask that you please give generously to the ADRA Annual Appeal Offering to ensure we can keep being a shining light of love and make a difference in the lives of people most in need.

Give your offering through church or online today:
