

ADRA Annual Appeal

2 October 2021

ADRA currently supports 34 projects here in New Zealand. We fund our churches to run programs that serve a need in their local community. Through serving local needs, together we're better able to connect with our communities and be a shining light of what God's love looks like.

Your generous support of the ADRA Appeal will ensure we can continue to help families right here in New Zealand and around the world.

MJ felt alone and helpless, as a solo mum she wanted to provide the best for her children, but she was stuck in an abusive relationship and was facing depression.

Next week, ADRA is collecting a special offering. This offering will help mothers like MJ escape abusive relationships and provide a safe and secure community for their kids.
