

COMMUNICATION TREE

In the event of a disaster, or for a practice drill, you may need to check on the welfare of your church congregation. Consider the best way to do this in your context. Your ADRA Champion or designated Emergency person should oversee this.

Messaging apps:

- Great for mass comms
- Multiple admins
- Can edit admins
- Self-managed data

Challenges:

- Limited welfare certainty

Phone Tree:

- Ideal for non-tech, elderly, welfare certainty.

Challenges:

- Requires reliable people
- Man-power intense
